

UN RESEAU GLOBAL DE RESPONSE D'URGENCE  
One Global Emergency Response Network

## **MUrgency Inc. Launches Mobile App for Fast, Easy & Reliable Medical Emergency Help.**

Chandigarh, 16th Feb 2016: MUrgency Inc, based in San, Francisco, USA, today launched the MUrgency mobile app in the Tri-city and surrounding areas for Fast, Easy & Reliable Medical Emergency Help. The app is now available for download on both iOS (iPhone) and Android App stores. The app is free to download and reliable medical emergency help at your location will be provided at Rs. 350.00 per instance during the pilot phase.

Fast, Easy, and Reliable Emergency Help is now available through the MUrgency Mobile App, in Chandigarh, Mohali, Panchkula, Zirakpur and Kharar. One tap on the MUrgency App will connect you to the nearest trained medical professional who will physically come to your location to provide you with emergency medical help.

350+ Medical Professionals (Doctors, Nurses, EMTs and Paramedics) are enrolled on the MUrgencyNetwork. Over 1000+ medical professionals applied to be part of the platform of which 350 were selected through a rigorous testing, validation & interview process.

Each responder on the MUrgencyNetwork has completed a certificate program in Basic Life Support & CPR, certified by LifeSupporters Institute of Health Sciences, Mumbai, a premier Emergency Care training center accredited by NSDC, Government of India, American Heart Association, USA and International Trauma Life Support.

*"We are very excited to be part of this network. Each one of us can now serve people near us and help save more lives in our state and contribute to making emergency response more reliable" - Ms Sabina Sehajpal, Nurse.*

*Dr Anupam Jindal, M.B.B.S, Mch. (Neurosurgery) AIIMS, applauded the initiative and said, "MUrgency is playing a much needed role, and I am happy to partner with them in this fantastic initiative."*

*"Medically trained personnel will be ready to respond to nearest emergency patient or victim at one simple push of a button. This can transform how emergency response happens. MUrgency can help save millions of lives across the world.", says Shaffi Mather, CEO & Founder of MUrgency, and World Economic Forum's Young Global Leader.*

Other features on the app include Ask a Doctor, Home Care, BodyGuard, ShoutOut, & Maps of Nearby Emergency Locations.

### **About MUrgency**

MUrgency - UN RESEAU GLOBAL DE REPOSE D'URGENCE (One Global Emergency Response Network) is a mobile app that connects people who need urgent medical help with credentialed doctors, nurses, EMTs and paramedics, nearest to them. With a vision to make one touch emergency response available to anyone, anytime, anywhere, MUrgency is building the largest first responder network on earth.
